Greek School 2020 – 2021,

We anticipate beginning our Greek School year on Tuesday, September 15, 2020. We're asking that all enrollment and registration take place online this year to reduce the amount of in-person contact at the church. Please complete the registration form and email to saintgeorgegreekschool@stgeorget.org. Church stewardship must be current to register for Greek School. (Please make every attempt to have your stewardship offered prior to registering for Greek School to help make the process quicker).

Note: New students entering Greek School should be enrolling in one grade lower than that of American School. Exceptions will be handled on an individual basis by the Greek School Board.
